

6th Global Nanotechnology Congress and Expo (GNCE-2019), which will be held during April 15-17, 2019 in Dubai, UAE is now an established event, attracting global participant's intent on sharing, exchanging and exploring new avenues of Nanotechnology and related research and latest developments. The event will have 5-6 world level (Highly cited class) Plenary speakers, established Keynote speakers, active Invited speakers and fresh contributed speakers. In addition, variety of poster presentations along with workshops and special sessions would be interested in audience.

Organizing Committee Members

Mohamed El-Far
Mansoura University, Egypt

Sesto Viticoli
Italian Association of Industrial
Research, Italy

Davor Balzar
University of Denver, USA

Han-Yong Jeon
Inha University, South Korea

Elisabetta Agostinelli
Italian National Research Council, Italy

Manoj Gupta
National University of Singapore,
Singapore

Yashwant Pathak
University of South Florida, USA

Nadezhda S. Kudryasheva
Russian Academy of Sciences, Russia

Conference Sessions

- Nanomaterials
- Graphene Technologies
- Carbon nanomaterials, devices and technologies
- Nanofabrication
- Nanocomposites and Multifunctional Materials
- Graphene Technologies
- Applications of Nanotechnology
- Nanobiotechnology
- Multifunctional Nanobiomaterials
- Functional materials
- Energymaterials
- Emerging areas of Materials Science
- Advancements in Material Science
- Ceramic and Glass Materials
- MEMS & NEMS
- Nanotoxicology
- Polymer based Nanocomposites
- Microtechnology
- Mining and Metallurgy
- Nanomedicine and Biomedical Engineering
- Nanomedical Approaches for Cancer Diagnosis and Treatments
- Cancer Nanotechnology & Tissue Nanoengineering
- Multifunctional Nanobiomaterials
- Biomaterials and Polymer Chemistry
- Electronic, Optical, and Magnetic Materials
- Materials Processing and Product Manufacturing

Early Bird Deadline July 27, 2018
