

## CALL FOR POSTERS

The third annual edition of the **NanoInnovation** event will be held from September 11<sup>th</sup> to 14<sup>th</sup> in Rome, at the Sangallo Renaissance cloister of the Faculty of Civil and Industrial Engineering of "Sapienza" University of Rome.

Leading edge companies, research organizations and institutions active at national and international level in the development of nanotechnologies, will cooperate and contribute to **NanoInnovation 2018**, jointly organized by **Nanotaly Association** and **AIRI - Italian Association for Industrial Research**.

The conference is **the reference national event** for the wide, multidisciplinary, international community involved in the study of nanotechnologies, in the framework of the other Key Enabling Technologies (**KETs**) in all possible fields of application.

The four-day programme is strongly oriented toward the **applicative aspects of nanotechnologies**, and leading **organizations and speakers** from academia and industry, both Italian and international, will contribute.

**The Call for Posters is open and submission form is available online on the conference website at: [www.nanoinnovation.eu](http://www.nanoinnovation.eu)**

**Applications must be submitted online by July 15, 2018, and the posters have to be prepared following the submission guideline available online.**

Contributions should address scientific and industrial developments in **application sectors relevant for nanotechnologies and their integration with KETs** including:

- Construction, Building & Restoration
- Electronics, Micro and Nanosystems
- Energy and Environment
- Food and Agriculture
- Innovative and Smart Textile
- Nano-Bio Related Products
- Health & Nanomedicine
- Nano-Materials Based Innovation
- Nanoscale Characterization and Measurements
- Safety and Social Impacts
- Smart Manufacturing
- Transport, Space & Aeronautics

Contributions will be selected by the Steering Committee on the basis of the scientific quality and of the relevance with respect to the conference themes and objectives.

**A limited number of posters will be selected also for oral presentation. Authors are asked to express their availability while submitting the abstract form.**

Posters will be displayed in the exhibition area of the conference for the whole conference duration.
